

ET: Legacy Development - Feature #1325

Make complaint popup less intrusive

13.07.2019 13:48 - ryven

Target version:	2.77		
OS:		Arch:	

Description

As was suggested in discord, instead of displaying full complaint popup, display `REPORT (F1)` string, and upon pressing F1 (or any other `voteys` bind), it would display the full complaint popup. This way it's easier to ignore it, and you are still able to act when necessary. This can be implemented as a new `cg_complaintPopUp` value.
