

ET: Legacy Development - Bug #279

Check dialog box on Windows, Linux & MAC

04.04.2013 14:27 - boutetnico

Status:	Fixed	% Done:	100%
Priority:	Normal	Spent time:	0.00 hour
Assignee:	IR4T4		
Category:	General		
Target version:	2.75		
OS:		Arch:	
Description			
When an error occurs while loading a mod, a dialog box should popup to inform of the failure. Check if it works in ETLded and ETL and review it if needed.
