

ET: Legacy Development - Task #764

Rework the vote system

09.01.2015 16:41 - Jacker

Status:	New	% Done:	0%
Priority:	Normal	Spent time:	0.00 hour
Assignee:	Jacker		
Category:	Mod generic		
Target version:	2.78		
OS:		Arch:	

Description

The vote system is very rigid, lets change that by adding proper structures and data transfers.

Also the way the vote is shows should be reworked, maybe something similar to csgo where there's a box for the vote with its progress and so on.
